Dear Gloucester Family Health Center,

Thank you so much for hosting me last week. I was incredibly impressed by your team, your facility, and your unending commitment to providing the best of care to the most in need.

As our country continues to wrestle with health care reform, I believe community health centers like yours provide a model for the future. The care you deliver is accessible, integrative, innovative, cost-effective, and – perhaps most importantly – deeply embedded in the social and cultural ties of your community.

You have worked hard to earn the faith and trust of your patients – and it shows.

I realize that these are uncertain times for our entire health care system and for centers like yours. Please know that I have your back in the battles to come; that I will proudly stand with you and fight for you every step of the way.

All my best,

Joe Kennedy III
Member of Congress

Thanks so much
for having me! Most
importantly, thank you
for all you do. I'm grateful!
